HOMECOMING

A BIG BLAST!!

DO YOU REMEMBER, WHEN?

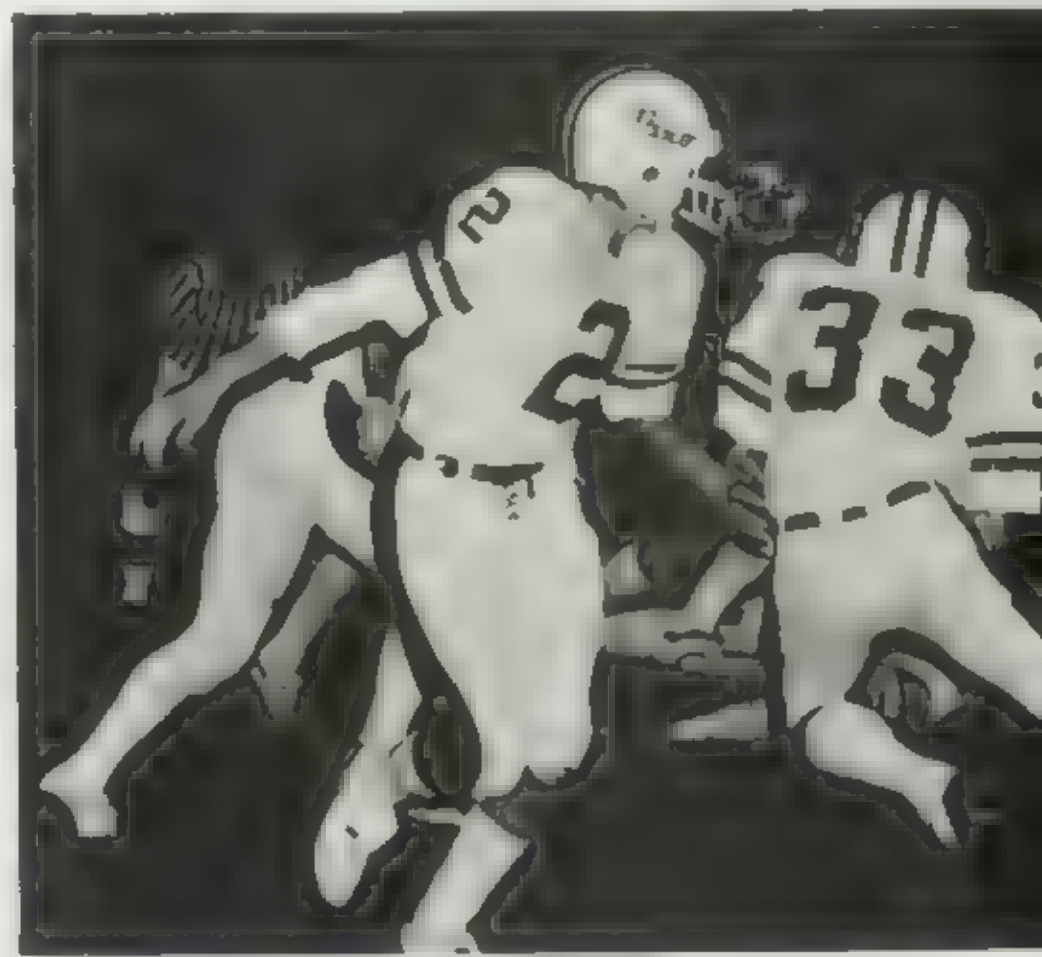

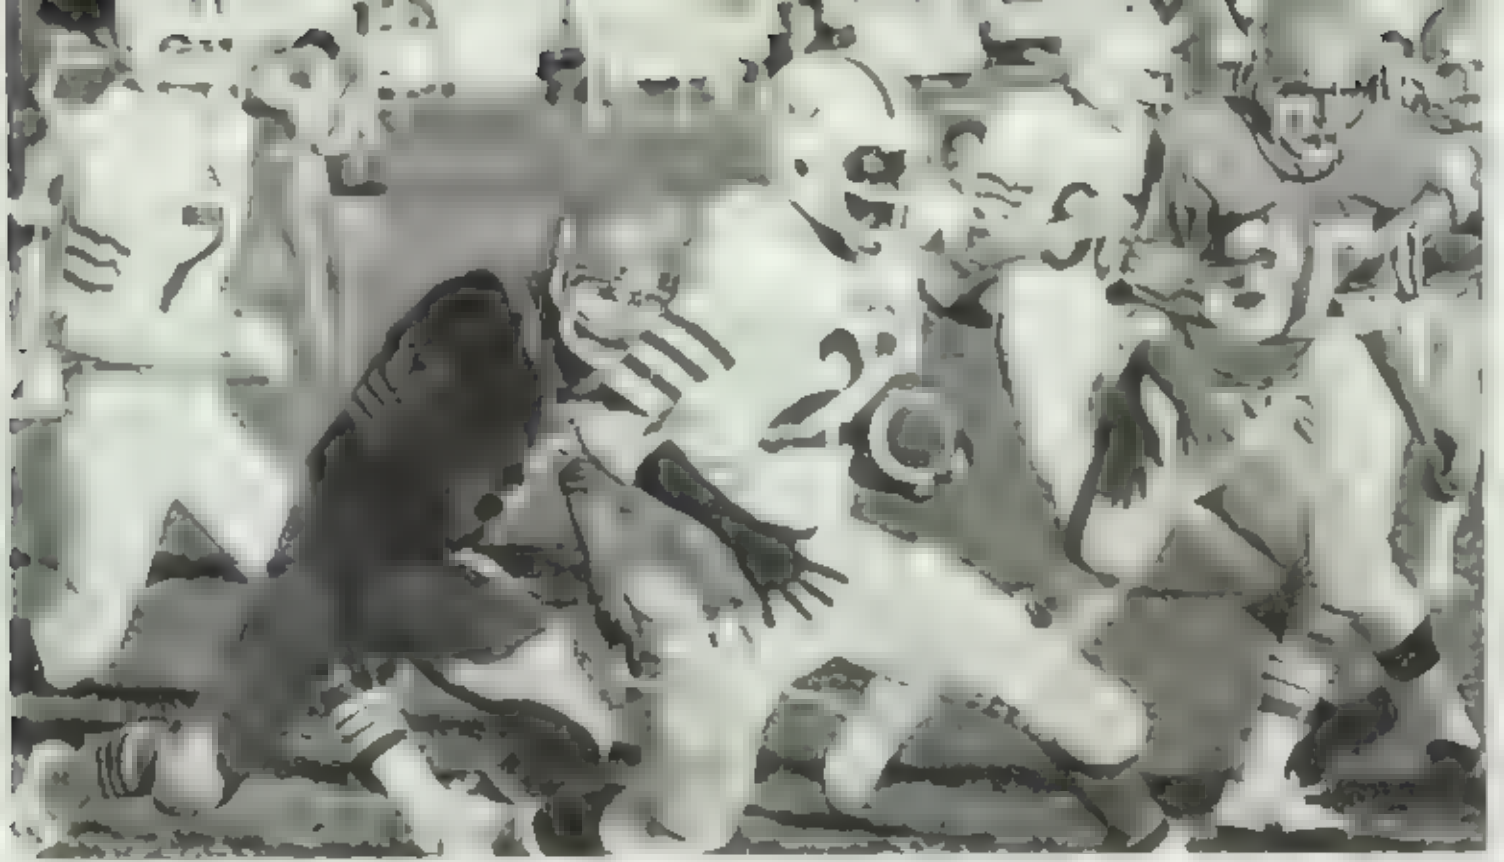

At the Kickoff assembly, what was Willie going to shake on 4th street, and what about Mr. Potter kissing a pig. Then the court was announced

What about the parade when our Queen tore the senior float "football" and released the balloons at the rally

At the coronation we saw many people crying. Do you remember? And the children, how cute they were! This year homecoming was dedicated to Ray Reynolds and Charles and Carol Keltch. The tea, a car rally, and the football game followed

The dance featured the band Blue Pages, which allowed our Queen to sing with them. With the last song of the dance, we put all these memories away until we remember those days again.

GIRLS' GOAL OF 3

TITLES FALLS SHORT

After piling up 22 straight victories, Pasco's Dogettes lost 58-56 to Clover Park in the first round of the AAA Girls State Basketball Tournament. Clover Park's deciding points came on free throws with one second left on the clock. The girls did not give up though, and rebounded with a 65-39 victory over Renton. In the final game of the tourney, Pasco beat Auburn 70-61 to bring home the fourth place trophy and an excellent 24-1 season record.

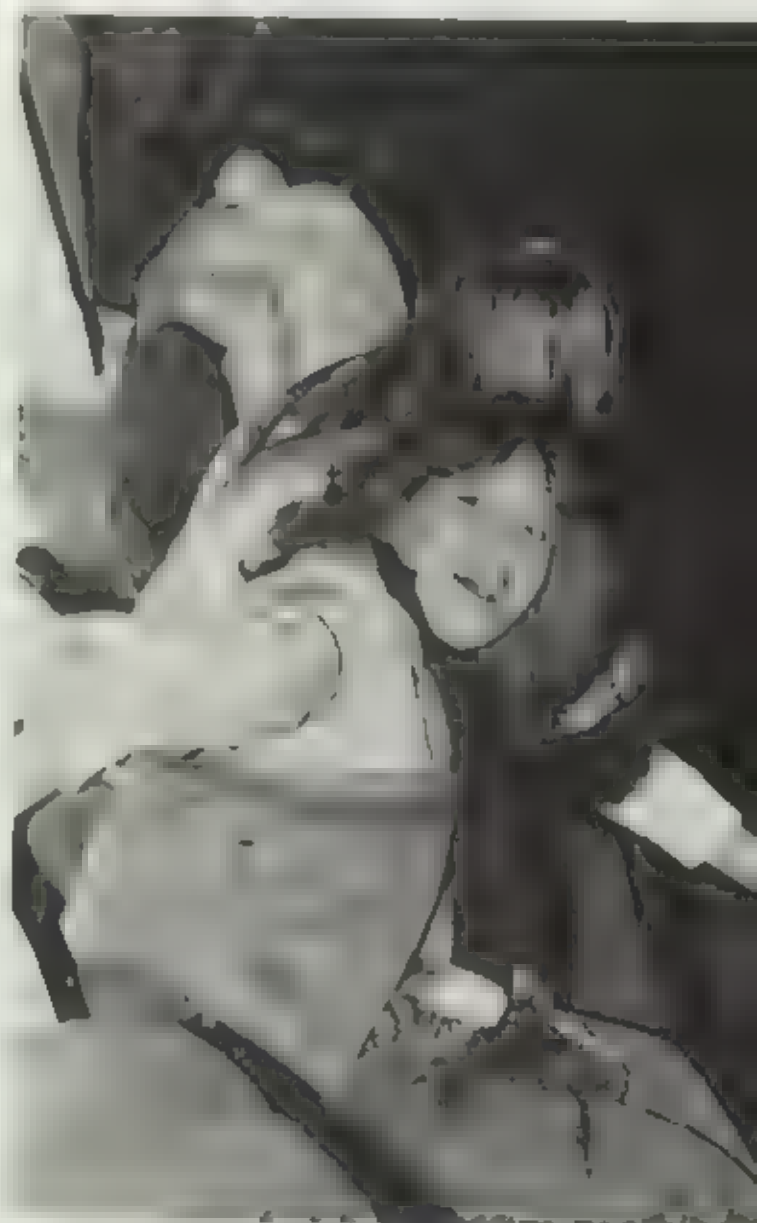

Senior Mose Jefferson lost to one opponent and defeated five other wrestlers to capture third place in the Washington State AAA Wrestling Tournament in the 1979-1980 season.

He did an excellent job in representing Pasco High in the competition.

The Pasco Bulldogs Boys' B-Ball team finished their season with them placing third in the Big Nine. They accomplished this by defeating Eisenhower then losing to rival Richland. Though they spent most of the season in seventh place, they managed to come back to a respectable third.

IN MEMORY

OF

JAYNE EILEEN HODGE

OCT. 9, 1962 - SEPT. 14, 1979

A black and white photograph of a pine tree against a cloudy sky. The tree is in the lower left foreground, its dark silhouette contrasting with the lighter, textured clouds. The sky fills the upper two-thirds of the frame, with soft, billowing clouds. The overall mood is contemplative and serene.

Farewell my friend
though I haven't known you long
I have got the feeling here
that everyone belong
To you my friend
though this must mean good-bye
until the day I die
With you my friends
we've reached out to touch
I know my feelings changed
and I have learned so much
For you my friends
this note of special care
We'll keep these special memories
when we're anywhere
From you my friends
I'll be near yet I'll be near yet I'll be far
Maybe just a block away
or as distant as a star
To you my friends
we've talked but not asked why
To you my friends
it's time to say good bye

I hope that you enjoy this book as much as we have enjoyed putting it together. It brings back a lot of memories of this 1979-1980 year.

The reason we chose the theme "The Hands of Time" is because we hope that when you look through it, time will stand still for a while

It's so hard to see something that you've worked on for so long finally come to an end

I'd like to thank this year's staff and advisor for putting up with me when things were looking so down.
